

REMARKS

Applicants have amended claims 45, 52, and 59 to correct for typographical errors in those claims. The present claim amendments are shown as changes to the claim set that was submitted on July 18, 2011.

Telephone Interview Summary

The undersigned attorney, Timothy M. Bryan, wishes to thank the Examiner, Sharon Pregler, for the courteous telephone conversation held on March 28, 2012. During that telephone call, the undersigned attorney pointed out that: (1) the claim amendments that were presented with the preliminary amendment filed on December 13, 2011 appear not to have been entered; and (2) the claim amendments that were presented with the preliminary amendment filed on December 13, 2011 contained errors. In particular, the claim amendments that were presented with the preliminary amendment filed on December 13, 2011 failed to reflect the cancellation of claims 10, 21, 26, 31, and 32, and also failed to accurately reflect prior amendments to claims 1 and 44 in the text of those claims.

The Examiner confirmed (1) that the claim amendments that were presented with the preliminary amendment filed on December 13, 2011 have not been entered; and (2) that the allowed claims (i.e., claims 1-9, 11-20, 22-23, 27-30, and 33-61) that are listed on the Notice of Allowability mailed on January 11, 2012 refer to the amended claim set that was filed on July 18, 2011.

The undersigned attorney agreed to resubmit the allowed claims with amendments thereto to correct what are believed to be typographical errors in claims 45, 52, and 59.
